This meeting of the Monteagle City Council was called to order at 10:10 a.m. by Mayor Charles Rollins.

Lay made a motion to adopt the position that the city is going to make the ball park a maintenance issue whereby we would contract the field maintenance to a qualified person as we have done in the past and that the mayor and Ald. Nixon both submit a plan to the council at the next meeting for the use of the park. Ald. Orr seconded the motion and it passed 4/0. It was discussed and agreed that the maintenance would be paid for by the General Fund. Ald. Nixon asked William Flowers if he would be willing to work with Fred Ladd to get the ball program going for this year and he said he would be willing to see if they can get some structure in the program. Ald. Lay added we would have to authorize some money to fund the program for this year, but even**
