TOWN OF MONTEAGLE
FIRE HYDRANT TESTING PROJECT
REQUIREMENTS FOR BIDDERS

1. The Contractor shall adhere to AWWA and NFPA requirements/recommendations when performing the testing procedures. All necessary labor and materials to perform the work shall be inclusive with the associated bid item. No additional payments will be made for special or unique methods to perform the work.
2. The Contractor shall coordinate with the Town regarding a Notice to Proceed and work hours.
3. The Town will provide assistance to the contractor in locating each hydrant.
4. All data shall be submitted to the Town within the allotted project time frame unless otherwise agreed by the Town.
5. The contractor shall warranty all work performed. Should any errors be identified in the data collection or defects observed in the painting, the contractor shall be responsible to correct the issues in no less than 30 calendar days to the satisfaction of the Town.
